More Mixed Doubles

Benefit mixed doubles events have grown so popular that they've been expanded to both PRO and AM divisions, with finals on Sunday!

Colorado Men! For a premium fee, you'll have a chance to pair up with a top pro to compete for CASH winnings (half of the collected entry fees, the rest donated to the cure). Amateur mixed doubles will be fielded in a separate full draw, with all proceeds to the cure.

All mixed doubles play will begin at 5:00 pm ('til ?) on Friday, and will be limited to the first 12 teams to sign up for the blind pro pick, and unlimited in the amateur draw. Local women may sign up for mixed doubles *only* (without Saturday team play), for the first event fee .

Women's Pro Stop

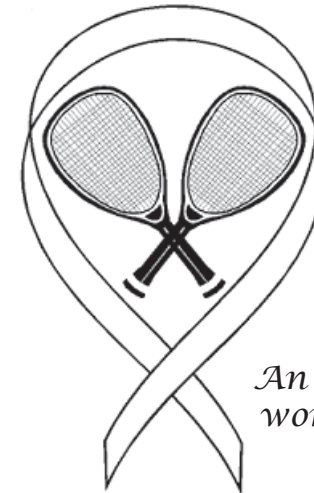

This WPRO satellite stop will offer the best women's pros in the sport, competing for tour ranking points, plus cash in the full-tilt pro-am mixed doubles. Don't miss this rare chance to see pro racquetball competition at its best!

Saturday Team Format

Players may enter one skill division. A random draw from each "pool" of skill levels will set the teams, which will compete by division for point earnings. In full, single elimination draws, consolation will be offered and points will be earned for every match played.

Doubles: Open/A and B/C players will be paired for doubles, and earn points for their team. **Officiating:** All matches are self-officiated (except WPRO tour).

Schedule: The single-day amateur format will be based on the total number of entries, and matches may begin as early as 7:00 am on Saturday. The all-day format can't accomodate conflicts, so be prepared to play all day (through 6:00 pm) and then attend the event banquet and prize-drawing. It's a non-stop, full day of fun racquetball for women only!

Starting Times: Check online at:
www.ColoradoRacquetball.com
www.RacquetForTheCure.com

Sanction: This is a USAR sanctioned event, for members only, and national ranking points will be earned. Expired members can purchase or renew a USAR membership for \$30.
