

*If you've supported Racquet for the Cure in the past ... Thank You !
If you're not familiar with it ... Please Read On !*

Founded in 2000, Denver's original **Racquet for the Cure** is a unique, long-running racquetball tournament that benefits the Denver affiliate of Komen for the Cure. Now celebrating thirteen consecutive years of giving, education and competition, the 2012 event will kick off with a special Mixed Doubles Benefit Fundraiser on Friday, **February 3**, followed by Women's division play all day on Saturday, **February 4, at the Highlands Ranch Recreation Center**. At the same time, a Men's one-day Shootout will also be conducted on Saturday, at a nearby venue.

How can you help? To offer the highest quality tournament experience for Colorado athletes – and engage additional donors – sponsorship funds are needed to help offset the cost of hosting what has become one of the premiere women's-only formats in the country. **Direct funding** allows us to offer top-notch hospitality, event souvenirs and prizes, plus underwrite travel and lodging for special appearances by pro tour athletes and speakers. Your **value-in-kind donations** can also aid us in maximizing our fundraising efforts, by providing items that will be shared with our attendees, individually or as a group. With help from corporate and individual sponsors, we are able to treat our entrants and guests to a first-rate event, to which they respond – in turn – with pink-ribbon charitable donations.

In 2000, the Racquet for the Cure concept originated in Denver, and has since set a standard for events of its type nationwide, which – all told – resulted in slightly under \$100,000 being donated to Komen affiliates across the country just last year. Here in Colorado, RFTC has grown from raising a modest \$200 in the first year, to generating \$72,000 in total contributions to date.

So, while we're pleased with what's been achieved so far, each year we work toward improving the tournament so that we can do – and donate – even more. The RacquetfortheCure.com website promotes and recognizes our sponsors year-round, while generating both local and national media coverage. We hope that you'll add your name to that list of generous supporters in the fight against breast cancer, by partnering with a unique and long-running athletic event that combines the fun of a popular sport with the promise of aiding the lives of men and women suffering and healing from the devastation of breast cancer.

"Racquet for the Cure" is an uplifting way to make a difference. We'd love to have you take part this year ... again ... or for the first time!

Thank you,

Lori Inskeep, Linda Mojer, Marcia Richards & Jo Shattuck
